

In 2007, SanTan Brewing Company was born in Historic Downtown Chandler, Arizona in the old Valley National Bank Building. Brewmaster and owner Anthony Canecchia had a mission...and SanTan Brewing was created and dedicated to the culture of Craft Beer paired with Craft Food to be enjoyed with the art of Conversation. Our belief is that Great Craft Beer and Great Craft Food can be the inspiration for the conversations that can change the world! SanTan features eight of its own hand crafted brews on tap at all times, including a wide selection of Liquor, Wine & Guest Beer. A new Cask Conditioned Ale gets released on Thursday nights. Brewmaster says "Craft Beer for Beer Drinking". Nothing goes better with great beer than delicious food and we are proud to feature menu selections crafted from scratch daily under the guidance of Executive Chef Dennis Martinez.
